Subject: New England Journal of Medicine - 19-17087

Dear Dr. Mazet and co-authors,

Thank you for submitting your manuscript, "Ranking the Risk of Animal-to-Human Spillover for Newly Discovered Viruses" to the New England Journal of Medicine.

Your manuscript has been forwarded to members of our editorial staff, who will make an initial evaluation and decide whether it merits further consideration. You will be notified of the decision as soon as possible.

Your manuscript ID is [redacted]

Please mention the above manuscript ID in all future correspondence or when calling the office for questions. If there are any changes in your street address or e-mail address, please log in to ScholarOne Manuscripts at https://mc05.manuscriptcentral.com/nejm and edit your user information as appropriate. You may also view the status of your manuscript at any time by checking For Authors section of the site.

We are undertaking evaluation of your manuscript with the understanding that neither the substance of the article nor the figures or tables have been published or will be submitted for publication elsewhere during the period of review.

Please provide the editors with copies of other manuscripts by you or your coauthors addressing similar or related research questions that are in preparation or under consideration at other journals. This does not apply to abstracts published in connection with scientific meetings or to news reports based on presentations at such meetings.

The Journal's policy is explained more fully at http://www.nejm.org/page/author-center/editorial-policies.

Please call us at 617-734-9800 if you have any questions.

Sincerely,

Eric J. Rubin, MD, PhD
Editor-in-Chief
